

## Class Supply List

### Beginning Quilting: Christmas Wreath

Jennifer Morgan

Moore's of Mission Viejo

Mondays, Sept 24, Oct 1, 8, 15 & 29, 6pm to 9pm

48" x 48"

### Supply List:

- \*Sewing machine in good working order, and manual if you have it just in case there are any problems. You will need either a quarter inch presser foot, or the ability to move the needle to accomplish a 1/4" seam, or a seam guide. Also, a walking foot for the quilting

portion may be necessary, depending on your sewing machine. We will discuss this further in class.

- \*A new sewing machine needle, size 80/20 sharp or universal.
- \*Rotary cutter, mat and rulers. The 23" x 17" size mat is a good starting size, and easy to carry to class. The 6" X 24" ruler is a good basic ruler to have. Also necessary is a small square ruler, 6 1/2" Please have a newer, sharp blade in your rotary cutter.
- \*Sharp straight pins, seam ripper, scissors, and other basic sewing supplies.
- \*Size One safety pins for pin-basting your quilt for quilting (the curved ones are best, but the non-curved ones are fine).
- \*Cotton sewing thread (50 weight) in a neutral color (gray or cream usually work) for piecing, and thread for quilting to match your fabric (we will discuss color and type in class).
- \*Tape measure which shows the 1/8" marks clearly.
- \*Fabric marking pen or pencil. We will discuss this further in class.
- \*Fabric:

I chose Christmassy red and green fabrics for the quilt, but you could make this in really any colors. Springy colors would look great, as would a fall palette. Who says your wreath has to be a christmas wreath? I've played with some other color combinations to give you some ideas, they're shown below. You can also have a scrappier palette, just get enough yardage to add up to the totals listed below. For example, five red fabrics that are each 1/4 yard, would equal the requisite 5/8 yard.

This is a wall hanging size, but you could make more blocks if you want it bigger. Please let me know if you want to make a bigger quilt and I can help you with yardage amounts.

#### Required yardage:

Background: 2 1/2 yards

Green (for blocks) 5/8 yard

Red (for blocks) 5/8 yard

Sashing: 1/4 yard

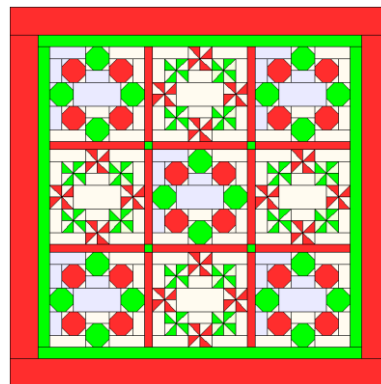

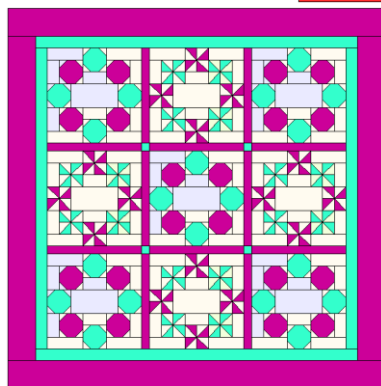

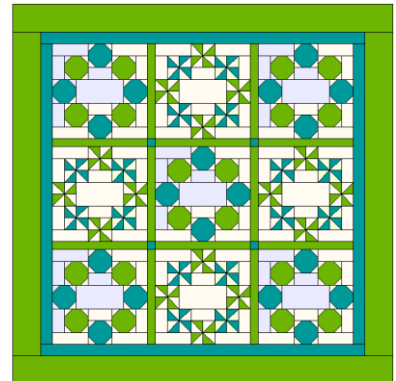

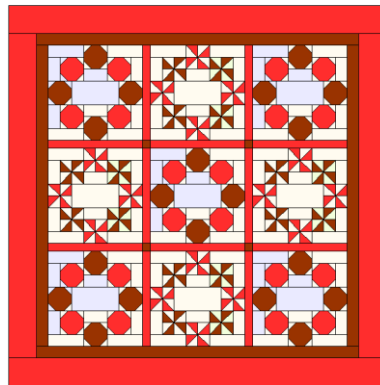

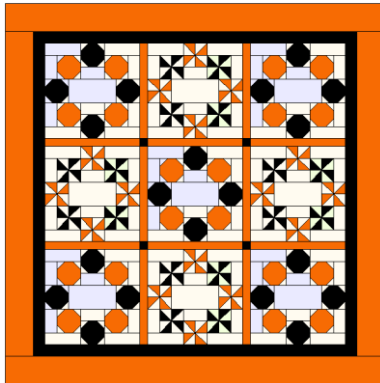

Inner border: 3/4 yard

Backing: 3 yards

Binding: 1/2 yard

Batting: 54" square, or 1 1/2" yard of on the roll batting.
