

HQ Capri 18™

The HQ Capri is a BIG machine for SMALL spaces.

Free-motion quilting was never easier, and your stitches will be PERFECT with the HQ InSight™ Table with built-in stitch regulation.

Turn flimsies into finishes.

Imagine yourself quilting up to 2,200 stitches per minute, easily manipulating your bed-sized quilt within the roomy 18" throat space. Choose from 4-22 stitches per inch for all types of quilting motifs. The HQ InSight stitch regulator takes away the fear of finishing. The HQ Capri includes lots of light, so you can see your beautiful stitches.
