

## Class Supply List

### Embroidered Tote Bag

Kim Lazarus

Moore's of Temecula

Saturday | June 19, 2020 | 10a-4:00p

### Supply List:

\*Embroidery/Sewing Machine in good working order with power cord, hoops and instruction manual. This project requires a machine that embroiders and sews.

\*Embroidery Design loaded on your machine or USB stick. Choose a design that takes no longer than 1 to 1-1/2 hours.

\*Embroidery thread to match your design.

\*Cutting mat and rotary cutter

\*Sewing supplies such as scissors, thread, bobbins, ruler, etc.

\*Fabric:

You will need 2 fabrics for this project – one to embroider for the tote and for the straps (I used a natural bull denim and a striped canvas on the samples. It should be a sturdy fabric.) and one for the lining of the tote and lining of the straps (I used quilters cotton). The tote will need two fabric squares measuring 22" x 22" plus two 2-1/2" x WOF strips. The lining requires two 20" x 20" fabric squares plus two 2-1/2" strips x WOF. If you want to do the pocket you will need a piece of outer fabric to accommodate the size of your embroidery hoop. This will be cut down to 9". Also, a piece of lining fabric measuring 9" x 9".

\*Stabilizer for the embroidery

\*20" x 20" Stabilizer to line the inside of the bag after embroidery to add body. I used Pellon 808 Craft Fuse.

\*Thread to match both your fabrics for topstitching.

If you have any questions prior to class, please feel free to phone me at (951) 894-2061 or contact me at Jellybean240@aol.com.

All supplies with an \* are available for purchase at Moore's. Sew Fun Club Members receive 20% off regular price on accessories and notions purchased during class! For details, please contact any Moore's Sewing location!
