November Mug Rug
Kim Lazarus
Moore's of Temecula
Saturday, November 5th
10 a.m. – 2:30 p.m.

Supply List:

*Embroidery machine in good working order with power cord, hoops and instruction manual.

*Embroidery thread to match the design. The fabrics are light beige, gold, red, green and silver. I used those same color threads.

*Stabilizer. I recommend using a No Show mesh type.

*Sewing and embroidery supplies such as curved scissors, filled bobbins, ruler, rotary cutter, cutting board etc.

This class comes with the fabric and batting in a kit.

The design comes in a 5 x 7 or a 6 x 10 hoop size. I used the Brother 9.5" hoop. Please phone me prior to class at (951) 894-2061 to let me know what size design you need and what format your machine takes, or contact me at Jellybean240@aol.com. This will ensure we have sufficient time to purchase the design from Designs by Juju for you.

All supplies with an * are available for purchase at Moore's!
