Please refer to the picture when picking your fabrics. Fabric selection is important so the machine embroidery is the star of the mini quilt. Only 5 fabrics are needed, plus batting. From the outside in they are listed as Border Fabric, Sashing and Corner Stones, Center Blocks & the last fabric is the backing Fabric. It is important to have all fabrics cut before the class starts. The class will focus on your machine abilities, and we want to make the most of our class time.
